

The Balke hook lamp boasts a generous handle designed for easy carrying and to act as a hook so that you can hang it wherever you wish. Whether on a wall hook, coat peg, a cable or the branch of a tree, you can now have light wherever you need it. It is also supplied with a reel and waterproof cable, making it a truly multipurpose lamp for all seasons. This luminaire is equipped with a light source and an impervious plug IP44. All our luminaires are manufactured, assembled and packaged at our Châtillon-sur-Saône factory plant in the Vosges region of France.
