

This imposing, yet delicate, suspended light fitting delivers 360° of mood lighting. The all-enveloping quality of its light output is simultaneously comfortable, intimate and welcoming. Available in two lengths, it adapts to your space, where it can be suspended above your dining table, or equally mounted on your pergola. This luminaire is supplied ready to install, fully equipped with its cable, light source and wall cable plate. All our luminaires are manufactured, assembled and packaged at our Châtillon-sur-Saône factory plant in the Vosges region of France.
